## @ Melbourne Golf Academy

The Melbourne Golf Academy has designed its 21<sup>st</sup> birthday Party Package to suit the needs of our clients. MGA is an ideal venue for the local community as we provide plenty of “free” parking, and exclusive use of our function room, which is set in stylish surroundings overlooking our 18 hole putting green.

For as little as \$39pp, treat your guests to local and imported beers, white and red wine, champagne, soft drink and delicious finger food over a four hour period.

This package is also fantastic for other events, eg. engagement parties, social events, etc.

Optional add ons which can be arranged on your behalf include DJ's, photo booths, decorations, lolly buffet, etc.
