

Rookie Junior Clinics

MGA's Rookie Junior Clinics are for boys and girls between the ages of 4~7.

These clinics not only focus on the basic fundamentals of the golf swing, but incorporate fun-filled games each week to ensure each child grows to love the game of golf.

Each term consists of 5 x 45 minute clinics, each focusing on a different component of the game, concluding with a skills test in week 5.

PGA Professional Stuart Howard will be conducting these clinics, and has over 15 years coaching experience.
